

## MGI APPOINTS ACCEL GRAPHIC SYSTEM AS DISTRIBUTION PARTNER FOR MALAYSIA

MELBOURNE, Fla (Dec. 20, 2010) – **MGI Digital Graphic Technology**, the multi-substrate (paper, plastics & envelopes) digital press and finishing solutions manufacturer, announced that they have appointed **Accel Graphic System Sdn. Bhd.** as their distribution partner for **Malaysia**.

Founded in 1993, Accel Graphic System provides sales and technical service for a comprehensive range of pre-press, pressroom products and wide-format printing solutions from manufacturers including Kodak, ECRM, Epson, X-Rite, Glunz & Jensen, ContiTech, Tullis Russell, FlintGroup, Heights and TechnoTrans. Accel Graphic System prides itself on providing the best possible solutions to printers, always ensuring the best options in terms of quality, productivity and cost-effectiveness, no matter the business side.

With an innovative team of hands-on staff boasting extensive experience in the graphics industry and a passion to stay at the forefront of technology, Accel Graphic System is positioned as one of the strongest partners for the Malaysian market.

Together, MGI and Accel Graphic System present a total digital printing and finishing package for the Malaysian graphics market. With a showroom to be located in greater Kuala Lumpur, Accel Graphic System will provide sales and technical support for MGI's full line of award-winning digital printing and finishing solutions, including the Meteor DP60 Pro<sup>®</sup> (4-color multi-substrate digital press for paper, plastics & envelopes), JETvarnish<sup>®</sup> (digital inkjet spot UV coater), DF360<sup>®</sup> (5-in-1 paper finishing unit), UVarnish<sup>®</sup> (offline flood UV coater for digital or offset prints), PressCard Pro<sup>®</sup> (hot platen lamination unit) and PunchCard Pro<sup>®</sup> (credit card format die cutter).

### *About MGI Digital Graphic Technology*

Founded in 1982, MGI Digital Graphic Technology designs, manufactures and markets a full and innovative range of award-winning multi-substrate (paper and plastic) 4-color digital presses, as well as a complete line of versatile finishing solutions.

A key player in the global market, MGI has a portfolio comprised of several thousand customers in a wide range of sectors, including graphic industry professionals, Fortune 1000 companies, government agencies, plastic card manufacturers, silk screeners and photo labs.

MGI is a leader in the professional graphic equipment market and is registered on the Euronext Paris Alternext stock exchange (ALMDG). They received the prestigious OSEO "Innovative Company" & "OSEO Excellence" labels respectively in 2009 & 2010 in recognition of their expertise and innovation in the graphics & finishing industry. In addition, MGI won ten international product awards in 2008-2010, recognizing achievements in technological innovation.

MGI USA, based in Melbourne, Florida, is MGI's fully owned subsidiary that services the North and South American, Caribbean and Asia/Pacific markets.
